Know Your Cause: Learn more about the YMCA and our impact and get to know other people who have been impacted by the YMCA at GivetotheY.ca.

Set a Fundraising Goal: Ask yourself what kind of an impact you want to have. Set a goal and break it down into steps. Remember that with the support of our generous sponsors, the funds you raise will help the YMCA provide life changing programs and services to your community. Don't forget about the amazing incentive prizes as well!

Make the First Donation: If you give, others will too. Start off on the right foot by making the first donation, then share your impact via email and social media!

Ensure Cheques are Correctly Addressed: Please address cheques to YMCA of Simcoe/Muskoka. Optional notes may include "Move to Give" and your team name.

Add Your Own Incentive: Show your friends and family how much this means to you by adding in your own incentive for them. Tell them that if you make your target you will match their donations, complete your Move to Give challenge in a funny costume, or up your physical challenge or other personal incentives.

Thank you, thank you! Always thank your supporters. Whether it's a small or large donation, let them know how grateful you are. Additional tools are available at MovetoGive.ca that can help you make sure no one gets missed.
